List of Reference Marks in Drawings

10, 11, 12, 13 radio transmission section (radio transmitter)

20, 21, 22, 23, 24 modulation section (modulator)

30, 31, 32, 33, 34 method switching section (method switcher)

40, 41, 42, 43 radio reception section (radio receiver)

50 demodulation section (demodulator)

60, 61 transmission method exchanger

70, 71 transmission method controller

80, 81 modulator demodulator

90, 91 radio transceiver

100 transmission radio device

101 reception radio device

102, 103 radio apparatus

110, 111 transmission data input terminal

115, 116 transmission data output terminal

120, 121 data divider

130, 131 data memory

140, 141 re-transmission controller

150, 160 transmission data

151, 152, 153, 154, 155 data divided

161, 162, 163, 165, 166, 167, 168 data

200, 201, 202, 203, 300 propagation path

400, 401 radio system
